

29th Irish Environmental  
Researchers Colloquium

**Environ 2019**

**ENGAGEMENT FOR  
CLIMATE ACTION**

15th – 17th April

**Environ 2019 in partnership with  
Institute of Technology Carlow  
invites you to the following public events  
on Monday 15th April**

9.30am – 1.00pm **A Walk on the Wild Side by the River Barrow**  
Mary White, Blackstairs Eco Trails, will take you on a walk along Ireland's second-largest river, the River Barrow.

2.00 – 5.00pm **Carlow Sustainability Festival in Delta Sensory Gardens, Carlow**  
Come and learn how to live more sustainably day-to-day. We have a range of displays, fun workshops and experts on hand to answer all of your questions.

8.00 – 9.30pm **Engagement for Climate Action –  
Public Engagement Evening at IT Carlow**  
Meet with experts and members of the public to discuss how we can stimulate action on climate change.

While workshops are free, spaces are limited.  
Please email [administrator@esaiweb.org](mailto:administrator@esaiweb.org) to reserve your place.
