

# DOOGE NASH INTERNATIONAL SYMPOSIUM 2014

Dublin, Ireland

24-25 April

[www.dooge-nash.org](http://www.dooge-nash.org)

## Background and Objectives

The Symposium will bring together experts to discuss the Grand Challenges facing hydrology in the future and to consider and contribute to these in the context of a sustainable and just planet.

The Symposium will be held in Dublin Castle and will celebrate the contribution of Irish Hydrologists, Professor Jim Dooge and Professor Eamonn Nash in establishing, internationally, the key role of hydrology in many critical, global issues.

## Scientific Topics

In keeping with the interests of Professors Dooge and Nash, the Symposium will focus on the role of hydrology in:

- (1) Water resources and social justice
- (2) Climate change and biomes
- (3) Engineering disciplines
- (4) Uncertainty and decision making

## Key Dates

- Submission of abstracts (500 words): 30<sup>th</sup> September 2013
- Selection of papers: 15<sup>th</sup> November 2013
- Submission of full papers: 31<sup>st</sup> January 2014
- Submission of revised papers: 28<sup>th</sup> February 2014

## Language

The Symposium will be held in English.

## Proceedings

Accepted papers and poster abstracts will be included in Symposium proceedings. Selected papers will be considered for a special issue in a scientific journal.

## First Announcement and Call for Papers
