

Postgraduate Researcher of the Year

2024 General Feedback for All Applicants

- ▶ **Educate the reader** - don't assume a level of knowledge similar to your own, write for all readers, i.e. funders, policy makers etc, for example don't use acronyms without first explaining
- ▶ **Novelty and originality** - To what extent does the proposed activity explore creative, original concepts, explain.
- ▶ **Dissemination**
 - ▶ Research is not just for academics - Identify the stakeholders in your project and demonstrate engagement with each stakeholder
- ▶ **Impact** - is not just showing potential impact but showing how your project has had an impact already even if it is just one small one.
- ▶ **Proof read** all your work.
